

PUBLIC MEETING: ALL WELCOME

'WORK-LIFE BALANCE AND THE GREENING OF WORK - THE ROLE OF TRADE UNIONS'.

The world plunges headlong into Recession, but could this provide the opportunity for a 'NEW GREEN DEAL' or a 'JUST TRANSITION' from our current economic arrangements which cause economic & ecological disaster.? What will this new economy be like?

speakers

Jean Lambert, MEP

Green Party Member of the European Parliament for London

Tony Kearns

CWU Senior Deputy General Secretary

Anne Elliot -Day

PCS Communications Officer (Green Issues)

Sian Jones
